March 17, 2005

SUMMARY OF BILL: Redirects the responsibility of training unlicensed direct support staff who administers medication to people who are incapable of self-administration from the Department of Health to the Division of Mental Retardation Services.

ESTIMATED FISCAL IMPACT:

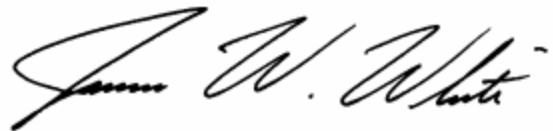

MINIMAL

Assumptions:

- The Division of Mental Retardation Services currently provides training to unlicensed direct support staff.
- For several years, DMRS has had a contract in place that requires such training, follow-up, and monitoring.
